Dear Cleve,

On behalf of the HNTB Architecture art committee, it is my pleasure to tell you that we have selected your work for an 11-day exhibit in September 2003 as part of the Third Thursday Gallery Walk. Prior to the exhibit, HNTB and your name will be listed on the Third Thursday Gallery Walk program as one of the key stops. We ask that you hang your work the afternoon/early evening of Wednesday, September 17. We will open our doors to the public at 6:00 PM on Thursday, September 18. You are welcome to provide and serve refreshments for this event. On Monday, September 29, at the end of your 11-day exhibition, please make arrangements to come back to our office to take down your work.

Please call me at 202.654.1026, and we will arrange a time for you to come tour our offices at 421 7 street NW, familiarize yourself with the front of our office space, and establish how you would like to display your work. We also ask that you bring either slides or photographs of your complete show for a final review. At that time I will answer any questions you may have about showing your work, and will give you a very straight-forward contract formally stating HNTB Architecture's policies on the assumption of risk, the sale of works, and other issues related to the showing of your art. /example of the contract is attached/ Thank you again for your submission, we are thrilled about showing your work in September.

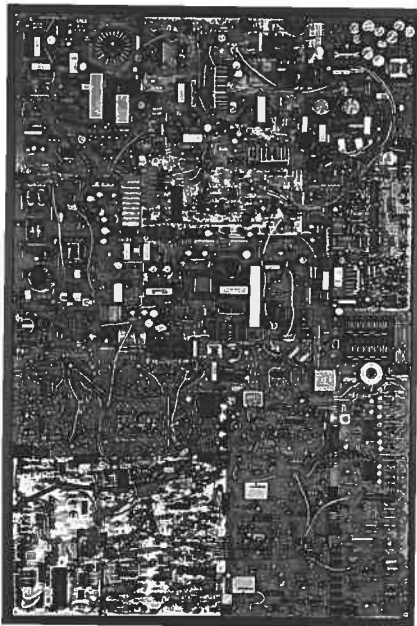

P.S. art committee rated your submission as the best one. We are scheduling you for September, because in September, in addition to 3<sup>rd</sup> Thursday Gallery Tour, there is Saturday /September 20/ Arts on Foot event in the area as well. So you will have double exposure.

Sincerely,

Maryana Tyupkina
