This year, HWC is teaming with the Washington Project for the Arts\Corcoran to host this exciting event. Benefiting the WPA\C and the artists, all proceeds from Art Night will be shared by both. Independent art consultants and curators Erin Mackay and Randall McLean have selected exciting and dynamic works created by local, contemporary artists working in a variety of mediums. WPA\C's proceeds from sale of artwork will be used to further its mission -- to promote and present experimental exhibitions, programs and performances that benefit local residents.

The exhibition runs through November 10, 2005.

Dear Cleve,

My name is Randall McLean and I am an independent art consultant in Washington D.C. Erin Chase Mackay, another independent consultant/curator, and I are working on the Hickok Warner Cole Architects' "Art Night" exhibition. The Hickok Warner Cole "Art Night" is a benefit for the Washington Project for the Arts\Corcoran (WPA\IC) co-curated by Erin and myself. We are contacting you for possible inclusion in the show.

Hickok Warner Cole Architects' "Art Night" is an annual art event and cocktail party hosted by the firm to support local artists and entertain their clients and employees. This great idea and dynamic event, held in the Hickok Warner Cole Architects' office, provides artists with an exciting exhibition space and a promising audience to increase their exposure in the Washington, DC area and beyond. Attendees include Hickok Warner Cole Architects' colleagues, interior designers, clients, staff, and artists. All artwork is for sale. Artists receive 50% of their artwork sale and contact information on their buyers. In addition, on the night of the event, the Hickok Warner Cole architects vote on a piece of artwork to acquire for the firm's collection.

The exhibition is scheduled for 27 October—10 November 2005.

Based on the sample of your work included in the 2004/2005 WPA\IC Directory, I would like to invite you to submit your available work for evaluation and consideration. You can email images and your artist statement (résumé too if you have one) to myself at mcleanrandall@hotmail.com. Please send images that are no more than 72 DPI for the submission process. I will follow up with you once Erin and I have a chance to review your work.

I look forward to hearing from you and should you have any more questions do not hesitate to email me at the above address, or Erin Chase Mackay at erin@chasecontemporaryart.com.

If you would like to participate in the exhibition/show please submit your images as soon as you can. We will have to make a cut off for submissions in mid-September.

Thank you.
